### **HARBOR SPRINGS AREA CHAMBER OF COMMERCE OFFERS EMPLOYMENT LISTING SERVICE TO MEMBERS**

The Harbor Springs Area Chamber of Commerce has created a new benefit for members by adding an 'Area Employment' page to the organization website. From the home page, visitors can click on 'Chamber' and then select 'Area Employment'. Once there, visitors will view a listing of available job postings at member businesses. The page is temporarily also being announced on the home page of the site.

This new benefit is designed to not only assist HSACC members with their current employment needs, but to also bridge a gap between local job seekers and employers through a free and convenient outlet. HSACC marketing chair Jody Ewbank commented on the new benefit. "With the economy as it is, we wanted to offer something to our members that would really benefit them financially. Saving dollars historically used on employment ads is one way we can do that. We hope that this page will become a valuable resource for members and area job seekers as well."

There is no fee for members to take advantage of this service, as it is a benefit included with membership. The marketing committee is discussing the idea of allowing non-members to post listings for a minimal fee.
